### Notice of Annual General Meeting

Dear Member

This letter is to advise you of the details of the Society's 2022 AGM.

This year, due to the Omicron outbreak, we will hold the AGM online via Zoom. We have engaged The Conference Company to manage the Zoom meeting and provide technical assistance. We will separately send you the Zoom invitation and related information (eg helpdesk contact details for The Conference Company). We will distribute the agenda for the AGM (including the Treasurer's report) the week prior to the AGM.

Please note that two members have been nominated to fill vacancies on the committee: Dr Brigid Connor and Vivienne Crawshaw QC. Both nominations will be put forward at the AGM.

The speaker for the evening is incoming president, Dr Stephen Wood. The title of his address is:

***The robot took my job but they're still suing: a look at the looming impact of artificial intelligence***

Dr Stephen Wood is a graduate of Auckland Medical School and a specialist in diagnostic radiology. He holds public hospital posts at Auckland City Hospital and Breastscreen Counties Manukau and works in private at Auckland Radiology Group, where he has also previously been managing partner. His areas of professional interest are general, body and breast imaging.

He is also a member of the New Zealand branch of the Royal Australia and New Zealand College of Radiologists and serves on the Colleges' Clinical Radiology Workforce Committee.

The meeting will be held as follows:

<b>Date:</b>	<b>Tuesday 15 March 2022</b>
<b>Time:</b>	<b>7.00pm</b>
<b>Venue:</b>	<b>Online via Zoom</b>
